Churchill Advocates Showdown With Russ

Also Urges Cessation Of Nazi Trials

Llandudno, Wales, Oct. 9.—(AP)—Winston Churchill declared today the Berlin deadlock "may at any time precipitate a hideous world struggle." He again urged a showdown with Russia before she gets the atom bomb.

The British war-time prime minister said the United States would be "murdering human freedom and committing suicide" if it surrendered guarding the progress of mankind.

He called for an end of the "stupidity" of war crimes trials of Nazis. Given one of the biggest ovations of his career when he addressed the 4,000 delegates at the annual conservative party convention here, Churchill said that if the Russians wish to see the military use of atomic energy outlawed "they must reassure the world by actions which speak louder than words."

Release Grip On Satellites

"Let them release their grip upon the satellite states of Europe," he declared.

"Let them return to their own country which is one sixth of the land surface of the globe."

"Let them liberate by their departure the 11 ancient capitals of eastern Europe which they now hold in their claws. Let them go back to the Curzon line (in Poland) as was agreed upon in the days when we were fighting as comrades together. Let them set free the million or more German and Japanese prisoners they now hold as slaves. Let them cease to oppress, torment and exploit the immense parts of Germany and Austria which are now in their hands."

Liberate Red-Held Korea

"Let them cease to distract Malaya and Indonesia. Let them liberate the communist-held portion of Korea. Let them cease to foment the hideous civil war in China."

"Above all, let them throw open their vast regions on equal terms to the ordinary travel and traffic of mankind. Let them give others the chance to breathe freely and let them breathe freely themselves."

Bitterly denouncing the "wicked oligarchy in Moscow," the 73-year old Churchill declared Russia's communist leaders had given "full rein to their instincts of imperialism and expansion."

"What will happen when they get the atom bomb themselves and have accumulated a large store?" he asked.

"You can judge for yourself what will happen then by what is happening now."

He declared the "growing aggressiveness and malignity" of the Soviet government was written as plainly as Hitler's Mein Kampf, and had for its purpose the "subjugation of western Europe by communist machinations, backed by Russian armies and enforced by political police."

Dewey Promises 'Forward Looking' Labor Program

Albany, N. Y., Oct. 9.—(AP)—A "forward-looking" labor program was promised today by Gov. Thomas E. Dewey as he passed up comment on the tacit endorsement from the United Mine Workers.

Preparing to set out tomorrow night on a new campaign tour, the Republican presidential nominee let it be known he would devote his first formal address to the labor issue.

In a talk to be broadcast (CBS) from 7:30 to 8 p.m. (CST) from Pittsburgh, Paul Lockwood, his secretary, said Dewey "will discuss the major role which labor and industry must play in a united America."

"He will outline a forward-looking program to better the conditions of the working men and women of our country," Lockwood said, adding:

"He will propose essential protections and benefits so that they can go forward in a world of peace in which human rights and human progress will flourish and increase."

Although Lockwood did not say so, there seemed little doubt that Dewey would voice support for the Taft-Hartley Act, but leave the way open for changes in that law.

President Truman has condemned it and demanded its repeal.

Dewey said last March the law was "soberly conceived and carefully thought out in order to enlarge the rights and privileges of all of the working people of the nation."

He left a road open to changes, however, by adding that "with such modifications as experience may prove necessary, the act should serve the needs of the people well."

In May, he told a Salt Lake City audience he "never saw a perfect law."

U. N. 'Neutral Six' Delays Berlin Case

Paris, Oct. 9.—(AP)—Efforts of the Security Council's "Neutral Six" to settle the Berlin clash and dodge a veto were reported tonight under scrutiny in the Kremlin.

United Nations sources said proposals on Berlin by the six members were transmitted to Moscow by Soviet Deputy Foreign Minister Andrei Vishinsky. Their nature was not disclosed. Earlier reports said it involved lifting the Soviet blockade while the four-power foreign ministers council attempts a German settlement.

Some sources said the need to await a Kremlin reply caused the six members to favor delaying until Tuesday or later the next council meetings on the Berlin issue.

Juan A. Bramuglia of Argentine, temporary council president for the Berlin debate, met today with representatives of the other five small nations—Belgium, China, Colombia, Syria and Canada. Western power spokesmen call them neutrals on the Berlin issue.

Bramuglia, who is spearheading the search for a "no veto" formula, met secretly yesterday with Vishinsky. Bramuglia has not approached any American officials since then.

Syria's Faris El Khouri reported "some progress" by Bramuglia, the Argentine foreign minister. El Khouri said the conversations will continue over the week end.

Secretary of State Marshall was conferring in Washington with President Truman on the international situation. This conference took place amid unconfirmed reports Mr. Truman had considered a plan to send Chief Justice Fred M. Vinson

Warrants Issued Against Two Car Dealers

Edwardsville, Ill., Oct. 9.—(AP)—Warrants have been issued against Robert L. Knetzer, Edwardsville automobile dealer, and Arthur E. Kramer, of Jerseyville, charging them with conspiracy to defraud and obtaining money by a confidence game in the sale of almost-new cars.

Knetzer surrendered this morning to Madison county Sheriff Dallas Harrell and posted \$25,000 bond. The same amount bond was posted for Kramer who was arrested last night.

The warrants were issued late yesterday upon complaint of State's Attorney C. W. Burton.

Investigations have disclosed that transactions between the two men and would-be car purchasers may run as high as \$2,500,000.

Burton said he has inspected the books of the Knetzer Motor Sales Company here with the receiver, William C. Dunham, and has come to the conclusion "there is a definite link between the two men."

Conviction carries a penalty of from one to 10 years imprisonment on each charge.

Kramer, who already is under \$5,000 bond on a warrant charging him with obtaining money under false pretenses in connection with auto mobile sales from an alfalfa field near Jerseyville, was arrested on the new warrant by sheriff's Deputy Hugh Pettit, brother of Alvin Pettit, Kramer's attorney in bankruptcy proceedings.

"The money Kramer took in at Jerseyville was siphoned right out of the alfalfa field directly to Knetzer at Edwardsville," Burton said. "I learned this from an examination of the records and from talking with three employees of Knetzer."

Brooks Appeals To Young Voters

Dixon, Ill., Oct. 9.—(AP)—Republican Senator C. Wayland Brooks appealed tonight for young voters support in his bid for reelection.

In a speech prepared for delivery at a Dixon GOP rally, he said:

"With the new deal in power for 16 long years, there are millions of Americans who have never known anything in their political lives as adults except the confusion and misrule caused by the fallacious policies of the Roosevelt-Truman administrations."

"Now, however, these young Americans have an opportunity to accept the new vigor and able leadership of the GOP and its Dewey-Warren ticket."

Danville, Ill., Oct. 9.—(AP)—The sign on the back of Roscoe Denny's pastry truck read: "Bit me easy; I'm full of pie."

Denny was involved in a slight collision with a taxi today, but it wasn't easy enough.

As he applied his brakes suddenly to ease the impact of a head on collision at City Square a stack of 60 pies tumbled on his head.

DETROIT
Elizabeth N. J., Oct. 9.—(AP)—A New Jersey Hiking Club plotted a mile-and-a-half detour on the old Appalachian Trail today to cut around a newly established nudist colony now barring the way to hikers unless they come through unclothed.

37th Anniversary Finds Chinese War At Critical Stage

(Editor's note: The author of the following dispatch on China's war situation is a veteran AP correspondent and also a trained military man. He has traveled widely in China, covering the conflict for the past three years.)

By Harold K. Mills

Nanking, Oct. 9.—(AP)—China's civil war has reached a critical stage. Its ultimate outcome—far in the distant future though that may be—could be strongly indicated by whatever happens before mid-December clamps a chill and muddy hand on major operations.

Nationalist China tomorrow observes the 37th anniversary of the republic—the overthrow of the Manchurian empire—and looks to Generalissimo Chiang Kai-Shek for a statement which may give a clue to his plans for solving the communist crisis.

At present the communists are having more military than political success, particularly in their efforts to win central China.

Competent neutral observers in this government capital are agreed, however, that a genuine battlefield victory by either side in the near future would be of vital significance, no matter how long afterward the war might drag on.

Eventual control of all China north of the Yangtze river would be the prize.

Both sides are capable of such a Sunday punch. For the Chiang government it could crack the myth of communist superiority and restore the confidence the national armies so badly need.

Government forces are still numerically superior to the communists everywhere except in Manchuria.

St. Louis Paper Backs Stevenson For Governor

St. Louis, Oct. 9.—(AP)—The St. Louis Post-Dispatch in its leading Sunday editorial tonight endorsed the gubernatorial candidacies of Speaker Murray E. Thompson in Missouri and Adlai E. Stevenson in Illinois. Thompson is a Republican, Stevenson a Democrat.

"In both states the issue is the man," the editorial says. "Regardless of how they feel about the presidential selection, Missouri and Illinois voters have a heavy responsibility to choose the best nominee for governor. In this state he is Thompson, in Illinois he is Stevenson."

Thompson's Democratic opponent is State Auditor Forrest Smith. Stevenson is opposed by Gov. Dwight H. Green, who is seeking a third term. Regarding Gov. Green, the editorial says:

"Two terms of Dwight Green are enough. It is time for Illinois to return to the tradition of governors like Altgeld and Deneen, of Lowden and Horner. The way to do it is to elect Adlai Stevenson."

Would Cite Three Top Officers In CIO For Contempt

Milwaukee, Oct. 9.—(AP)—Rep. Charles Kersten (R-Wis.) recommended today that three top officers of the CIO United Electrical Workers Union be cited for contempt of congress.

Kersten, chairman of a subcommittee of the House Labor committee, asked the full committee to cite James J. Matles, national director of the union; Julius Emspak, general secretary and treasurer; and Russell A. Nixon, the union's Washington representative.

In a joint statement with Rep. O. Clark Fisher (D-Tex.), a subcommittee member, Kersten described the attitude of the three union officials as "hostile and contemptuous not only to the subcommittee, but also to the rank and file members of their union and to the people of the United States."

Northern Illinois Warned Of Brief Power Shortages

Chicago, Oct. 9.—(AP)—Northern Illinois utilities may have brief power shortages at times of peak demand for electricity during the next six months, a utility official said today.

"At least until the late spring of 1949," said Charles Y. Freeman, chairman of Commonwealth Edison Company, "the demands for power at times are likely to equal the total available generating capacity."

He said that completion of a 150,000 kilowatt generating unit at the company's Fisk station next spring probably would eliminate further emergencies like that of Sept. 8. On that date, large industrial users of powers were asked to curtail their operations for several hours to make electricity available for other companies and home users.

Freeman said the shortage problem has been experienced by utilities throughout the nation. He said the result of curtailed development of generating electricity during the war.

Truman, Marshall Reject Vinson Mission To Moscow

Sternists Scoff At Israel Authority; Seize Prison

Tel Aviv, Israel, Oct. 9.—(AP)—Stern gang terrorists staged a mass jailbreak in nearby Jaffa today. Late tonight all except about a dozen were reported to have returned to their cells, most of them voluntarily.

An estimated 120 sternists scoffed at Israel authority by breaking out of their heavily-guarded, waterfront prison and seizing temporary control of the building.

Scores fled from the scene. Others calmly bathed in the Mediterranean and visited nearby coffee houses in an amazing gesture of disdain for Israeli authorities who have publicly declared the stern gang smash-out. Some of the sternists strolled in and out of the prison gates and well-

comed journalists who visited them. "I've nowhere to hide. So I just had a swim."

The sternists said a large group of relatives had gathered outside the barbed wire jail enclosure hoping for a sabbath visit. Maj. Joel Caspi, the jail commander, turned them down. Caspi is not liked by the sternists because they say he was the only Jewish officer of the British-organized Trans-Jordan frontier force.

Angry when they saw the crowd of relatives refused admittance, the prisoners hurled mattresses across the barbed wire. With this protection, many sternists leaped the wire and began dismantling the guards. The rest of the guards were said to have surrendered to avoid bloodshed.

IF LITTLE JOHNNY CALLS YOU NAMES IT'S GOOD FOR HIM

Detroit, Oct. 9.—(AP)—Let your children call you names when they get angry. It's good for them.

This advice was given today at a mental hygiene conference by Dr. Luther E. Woodward, of New York, consultant for the National Committee for Mental Hygiene.

For example, Dr. Woodward said, his small daughter had once told him she'd like to "cut you up in little pieces and stuff you in the furnace and close the door."

"Just take the outpourings of negative emotions in due course and make nothing of them," the doctor said.

Queuille Claims French Strikes Border Rebellion

Paris, Oct. 9.—(AP)—Premier Henri Queuille told the French people tonight communist-led strike agitation was assuming the character of rebellion and the government would use all necessary means to halt it.

He spoke over the radio to a nation harassed by a six-day coal walk-out and facing a general railroad strike. The mine strike has cost the nation 1,000,000 tons of coal.

The communists were believed stirring up the European recovery program and toppling the Queuille government.

Communist labor bosses were increasingly busy organizing strike votes among France's 400,000 railroad workers. Some stoppages have already occurred, but the full brunt of a rail tieup was not expected before next week.

"The right to strike is a sacred right," Queuille told the French nation. "The right of a nation to live is not less sacred. The first duty of the government is to assure the life of the nation. It is not going to fail."

Educators Request Abolition Of House Spy Committee

New York, Oct. 9.—(AP)—Three hundred educators tonight called for abolition of the House un-American activities committee and the withdrawal of the president's loyalty order.

The teachers took the action in resolutions unanimously passed at a conference on academic freedom, sponsored by the national council of the arts, sciences and professions.

They also demanded abolition of "local and state counterparts" of the un-American activities committee.

Resolutions charged that the various committees, including the Tenney committee in California and the Canwell committee in Washington state, "used the press of this nation to prejudice witnesses, endangering their personal security with irresponsible smears and innuendos."

"Because of the particular nature of the activities of artists, intellectuals and educators in seeking to promote freedom of thought, these groups during the past year have been singled out for concentrated attack," a resolution charged.

Believe Chicago Father, Daughter Died Of Poisoning

Chicago, Oct. 9.—(AP)—A father and his 21 months old daughter were found dead today at their home in suburban Arlington Heights, and police said an early examination indicated they had been poisoned.

The victims were Joseph Klinka, 40, and his daughter, Lorraine. Police Chief Carl H. Skoog said the bodies were found by Mrs. Klinka when she returned home at 9 a. m. after working all night in the Loop.

She summoned police who worked over the victims with an inhalator without reviving them. The woman then fainted and police haven't been able to question her because of her hysterical condition.

Nature Boy, A Father

Los Angeles, Oct. 9.—(AP)—"Nature Boy," became a papa today.

A six-pound four-ounce son was born in St. Vincent's hospital to Mrs. Eden Abbe, wife of the song-writer.

Both mother and baby are "doing okay," the hospital said.

Wallace Says U.S. Red-Purge Like Hitler Tactics

Tacoma, Wash., Oct. 9.—(AP)—Henry Wallace said tonight American policy-makers have put on "crusader robes" to save the world from communism but their crusade is as "cynical" and "deceitful" as Adolf Hitler's.

Earlier, in Seattle, Wallace sent telegrams to President Truman and Gov. Thomas E. Dewey, demanding to know exactly how they stand on the Franco regime in Spain, economic aid to Israel, and leniency toward Nazis in Germany.

The Progressive party candidate for president delivered this double salvo in the midst of a fast-traveling effort to increase his strength in the state of Washington, where his party has put up more than 100 candidates for various offices.

His likening of U. S. foreign policy to Hitler's came in a speech prepared for delivery in the Tacoma armory.

He said America's policy really comes out of "schemes born of the fear of peace," and "dreams of world conquest."

He denounced what he called our "Trojan horse cabinet," by which big business and big brass have taken over the direction of our government.

Lobby Influence Flourishes Under GOP Sen. Barkley

Seattle, Oct. 9.—(AP)—Senator Alben W. Barkley declared tonight the "powerful lobby" influence flourishes "in all its glory" under the Republican congress after having been "exiled" for years by the Democrats.

The democratic vice presidential nominee attacked industrial, real estate and electric power "lobbies" in his first west coast campaign speech.

"The electric power lobby," he said in a speech prepared for delivery here, "is now in all of its glory in Washington."

"It is back along with the lobby of the National Association of Manufacturers, which dealt the death blow to any form of price regulation or control and which takes much of the credit for some of the most repressive labor legislation in American history."

"It is back with the lobby of the National Association of Real Estate Boards, which has helped sound the death knell to any decent housing program for America."

Referring to progress made agriculturally and industrially in the west and northwest through government power, reclamation and other programs, Barkley asked whether people of the west want to entrust their future to GOP control.

Fishing Boats In Trouble In Alaska Waters

Seattle, Oct. 9.—(AP)—Half a dozen vessels in stormy Alaska waters called for aid from the coast guard today.

At least two fishing boats were aground, with one of them listed as "a total loss," the coast guard reported.

A fishing boat, a railroad barge and a wartime landing craft (LCT) were reported drifting helplessly.

Drop Plan On Advice Of Sec'y Of State

Washington, Oct. 9.—(AP)—President Truman disclosed today that he had considered—and rejected on the advice of Secretary of State Marshall—an extraordinary mission by Chief Justice Vinson to tell Moscow how the American people feel about "the atomic problem."

Vinson was to have undertaken a personal attempt to straighten the Russian leaders out on this grave matter, Mr. Truman said in a statement.

The plan was dropped, he said, because of the general situation as reported by Marshall and because of the "possibilities of misunderstanding" which might grow out of a single-handed action by the United States.

Marshall Denies Split
Marshall, in a late day news conference, noted that he had seen reports of "a split between the president and the secretary of state." He added emphatically: "there is no foundation for this."

Marshall flew home from the Paris meeting of the United Nations this morning to give Mr. Truman his views; the president himself cut short his political campaigning to talk things over with his secretary of state.

They met amid published reports of a projected-and-abandoned mission to Moscow by Vinson. These reports went unconfirmed and un-denied up to the late day White House statement.

Then, after two White House conferences in which Marshall and Undersecretary of State Robert Lovett sat in, the White House released Mr. Truman's explanation of what he had proposed and why he had dropped it.

Truman Relates Facts
The facts, said Mr. Truman, are as follows:
"On last Tuesday, when I communicated with Secretary Marshall, I told him of my continuing great desire to see peace firmly established in the world, and of my particular concern at this time over the attitude taken by the Soviet representatives regarding the atomic problem."

"I said that I was wondering whether their attitude did not reflect a misunderstanding in the minds of the Soviet leaders so serious, from the standpoint of world peace in general, that we would be remiss if we left undone anything that might conceivably serve to dispel it. I asked the secretary whether he felt that a useful purpose would be served by sending to Moscow Chief Justice Vinson, in an effort to make the Soviet leaders understand the seriousness and sincerity of the feelings of the people of the United States about these matters."

Marshall Tells Paris Situation
"Secretary Marshall described to me the situation which he faced in Paris, and, in the light of his report and the possibilities of misunderstanding to which any unilateral action, however desirable otherwise, could lead at present, I decided not to take this step."

International control of atomic energy has been one of the major problems of the U.N. meeting in Paris, although the Russian blockade of Berlin has provided the most serious immediate concern.

Marshall at his news conference—which was timed right after the White House statement—said that the United States stands ready to enter any negotiations with Russia in the council of foreign ministers—provided that first the Berlin blockade is lifted.

The Russians have shown an interest in the idea of talks on the foreign ministers level covering the whole problem of Germany.

Warren Commends GOP 80th Congress For Farm Program

Sioux City, Ia., Oct. 9.—(AP)—Assessing the GOP Eightieth Congress was the first in history to initiate a long term farm program. Governor Earl Warren tonight pledged the Republican party to a still better job on farm problems after election of a Republican administration.

Coming into a state topping the nation in the value of its agricultural output, the GOP vice presidential candidate devoted a major campaign talk to a discussion of his party's farm record.

The Republicans, he said, are committed to a long term program designed to encourage production and to avoid a boom and bust cycle.

The GOP platform, he declared, calls for "sounder" soil conservation measures, a flexible support price program, commodity loans and farm credit, rural electrification and farmer owned and operated co-operatives.

He said the Republican party is "united in its approach to the agricultural problems of our country, just as it is a united party in every other respect."

Police Continue Search For Clues In Granata Murder

Chicago, Oct. 9.—(AP)—Police today continued a search for promising clues in the mysterious slaying of republican politician William John Granata. They said their efforts have been fruitless so far.

An inquest today was continued until Oct. 22 to permit further investigation.

A typewritten list of 13 names, four by police in Granata's clothes, was made public at the inquest. Sheriff Elmer Michael Walsh, a political associate of Granata, said these names are contributors to the dead man's campaign fund.

Granata, a brother of State Rep. Peter C. Granata, was the GOP's Cook county nominee for circuit clerk. He was found, hacked about the neck and head, early yesterday at the front entrance of a Randolph street building where he lived on the 42nd floor.

The building is across the street from the Bismarck hotel. It is near Chicago's theater district and the State of Illinois building.

Walsh and Peter Granata testified that the slain man had been in good spirits. They said he had no enemies.

Detectives said the killing was planned carefully and was not done by a robber or a maniac.

DOUGLAS SAYS GOP FAILED TO PASS PUBLIC HEALTH BILLS

Anna, Ill., Oct. 9.—(AP)—Democrat Paul H. Douglas, campaigning for election to the U.S. Senate, said tonight that the GOP 80th Congress failed to pass any major bills to give adequate public health and hospital facilities.

He said that "as a top to the clamoring need" Senator Taft (R-Ohio) introduced a bill "which would have done nothing more than reinforce the kind of charity that Charles Dickens wrote about in the early part of the 19th century."

WEATHER

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: high, 65; low, 43; and at 6 p.m., 54.

Forecast for Illinois—Fair Sunday, slightly cooler central and south portions.

DEWEY'S ABILITY REFLECTED IN THE WAY HE CAMPAIGNS

Governor Thomas E. Dewey and Governor Earl Warren are setting a pattern of dignified statesmanship in their campaign for the presidency and vice presidency. They discuss important issues clearly and calmly without resort to personalities. Their appeal to voters is in sharp contrast to President Truman's petulant tirades against Congress. The candidates for president can be measured pretty well at this stage of the campaign by their own conduct as they grasp for the biggest political prize. The confident, business-like statements of Dewey make the frustrated harping of his opponent sound childlike. Here is a man, millions of people have already decided, who is outstanding in administrative ability, big enough and competent enough to serve them in the White House. We believe sincerely that the future of the United States will be in firmer, more expert hands if Thomas E. Dewey is elected president Nov. 2. This belief is shared by hundreds of newspapers and, as the pre-election polls show, by millions of citizens who are eagerly awaiting the day they can express their preference officially.

Testimonials to the executive skill of Dewey are appearing in newspapers and magazines throughout the country. As the man who gave New York state a house-cleaning, his illustrious record is familiar to the majority of voters. Under Governor Dewey, New York State taxpayers saved \$800,000,000 through reduction of regular state taxes, mostly since the war. Personal income tax was chopped 40 per cent. Business income taxes were cut 25 per cent. Within four years the New York state debt was reduced \$136,000,000, or 27 per cent. A \$623,000,000 surplus was built up in four years and put aside for post-war construction and tax stabilization reserves. The Dewey record shows that New York has the lowest strike rate of any industrial state, the minimum wage law has been extended, housing programs for veterans pushed, and many important reforms put into effect. From the time Thomas E. Dewey was appointed chief assistant U. S. attorney for southern New York, back in 1921, he has been building a record of public service that inspires confidence in his ability to get things done. He has vision to plan—energy to carry his plans to conclusion.

One of the best descriptions of Thomas E. Dewey that has grown out of the campaign was written by Stanley Walker, a former New York city editor and author, who now lives in Texas. He called Dewey "sure-footed." "It requires no great soul-searching or tortuous reasoning to be wholeheartedly in favor of the Dewey-Warren ticket in 1948," Mr. Walker wrote. "It is a natural. It ought to satisfy all but the most fanatical perfectionists. As for me, I am for it without reservation, and with enthusiasm. And I am an old-line independent Democrat." Mr. Walker probably expressed the sentiment of the majority of American voters. It looked like Dewey and Warren the night they were nominated. It looks more like that team now with the election less than a month away.

The City That Is Never Built

By HAL BOYLE
New York, Oct. 9.—(AP)—This is the city that is never through building. Manhattan Island is like some nursery for baby giants, where the children are continuously rearing up strange new play houses—only to knock down the blocks and start all over again.
A man who spends his entire life in New York City never dies in the same city in which he was born. He has to search in his old age to find the remnants of the town of his boyhood.
They're tearing down the old New York every day. This saddens many an old-timer, but the same thing has been going on for more than three hundred years.

Became Tourist Mecca
When the famous Flatiron building was erected on a triangular plot at 23rd and Broadway in 1902 to inaugurate the skyscraper era, it quickly became a tourist mecca. Visitors wandered uneasily if it was safe to go into a building 20-stories tall. At that time its Madison Square site was the most fashionable in town. Gay blades hung out at the windy corner to Ogle petticoats whipped into view by the breezes. Cops shooed them away, and there is a theory that this explains the phrase "twenty-three skidoo," popular in grandpa's day.

Passed By Unnoticed
Today the Flatiron building is passed by unnoticed. It isn't even on the list of the tallest structures here. And the 60-story terra cotta Woolworth building, hailed as a cathedral of commerce in 1913, is topped by five other business towers.

Fifty years or more ago the glamor shopping lane stretched along

Broadway from 14th to 23rd streets. Then it moved over to Fifth Avenue and began steadily marching tip toward Central Park, crowding out the mansions of the wealthy.

Today the red stone palace in which Mrs. Cornelius Vanderbilt entertained international society is gone—torn down to make way for an office building. The only holdout along Fifth Avenue is the old Jay Gould home, and it's been turned into an antique shop.

Slums Being Destroyed
One change being made in the ever-changing face of Manhattan will bring few tears from sentimentalists: the gradual destruction of the lower east side slums. They are being replaced by gigantic modern housing projects for lower and middle income people, giving these classes the benefits of skyscraper residential life.

No "Little Old New York" just doesn't exist any more. And this year the City Planning Commission, created a decade ago to give some direction to the city's growth, has just proposed that the city spend \$317,056,203 next year to modernize itself still more.

Qualifications For Secretaries Outlined

An interesting and enjoyable discussion and quiz on "Qualifications of a Good Secretary" was led by Bessie Brown, chairman of the educational division of the National Secretaries Association, at a dinner meeting on Wednesday, October 6 at the Dunlap Hotel.

A business meeting was conducted by the president, Martha Fitzgerald.

The next meeting will be held at the hotel on November 3rd.

Church Women's Council Will Meet Wednesday

The Women's Council of Central Christian church will meet at the church Wednesday evening, Oct. 13. Mrs. Francis Plouer will be in charge of the worship service using "Prayer" as her theme. Special music for the evening will be provided by Mrs. Lois Hardin.

In recognition of Christian Literature Week, there will be a display of books and other religious literature at the meeting. The missionary film, "My Name is Han" will be shown, followed by a Silver Tea in charge of Group three with Mrs. Marcy Osborne, leader.

Members of the board will meet at 6:30 for the executive meeting.

Lynnville Society Meets At The Christian Home

The Missionary society of the Lynnville Christian church held the October meeting Thursday afternoon at the Christian Home, 873 Grove street.

The president, Mrs. Claude Jewsbury, presided at the business meeting. Two guests of the home, Mrs. Lester and Mrs. Vail, led the prayer and devotions.

Miss Margaret Heaton was the leader of the program on Puerto Rico. The president presented a paper on the geographical, historical and political aspects of the island and Mrs. Earl Hempel, told of the church's contribution to the inhabitants. Mrs. Eileen McNeely discussed "Our Own Work in Puerto Rico."

Nancy McCarty sang two vocal numbers and played a piano solo. Miss Beilby Leach sang a group of songs.

Baptist Speaker

Rev. Harold F. Menke

Nationally known Evangelist Rev. Harold F. Menke of McLeansboro, Ill., is speaking tonight in a revival campaign at Central Baptist church, 211 West Morgan street. Rev. William H. Spencer, pastor, reports good crowds in attendance and increasing interest.

Evangelist Menke became widely known through his radio broadcast, "The Crusade for Christ." Sunday is the fourth anniversary of Central Baptist church and will be celebrated with a home-coming and roll call. There will be three services at 11, 2, and 7:30 o'clock special music, with a choir from Springfield, Ill. The 2 o'clock service will be a lecture with charts on the topic, "The End of the World." The services will continue each night through October 17. The public is invited.

There are 50 species of kangaroos.

RED FEATHER DEMOCRACY

Declaring that America today is a stage upon which a drama of human destiny is being appraised by the critical eyes of all the world, President Truman endorsed the Red Feather Community Chest campaign as a "demonstration in practical democracy."

Red Feather campaigns, which this year also include an appeal for support of the reactivated USO, are as American as "E Pluribus Unum," for the Red Feather, too, has brought one out of many, the President said, pointing out that the Red Feather campaign is many campaigns in one.

"What Americans think, what Americans say, what Americans do is causing people in other lands to decide whether they want our way of living or another," said the President. "At the core of our democratic tradition is the American ideal of working, living, giving together so all may benefit."

It is significant that America gave birth to the plan and practice of voluntary welfare groups teaming together for joint planning and federated financing for everybody's benefit. In more than 1,000 American communities Red Feather campaigns will be held this year to enable more than 12,000 Red Feather services to continue their work, meeting many of the health and welfare needs of all our people regardless of race, creed, economic status or political belief.

"Success in this cause not only will bring the satisfaction of proving to ourselves that an American ideal can be made to work, but will serve as a demonstration in practical democracy for the eyes trained on us from all the galleries of the earth."

"We will do this job by giving—giving our time, our effort, our money. We will give enough for all Red Feather services, enough to make us proud to be Americans."

CHARGES DESERTION

Mildred A. Spradlin is plaintiff in a divorce suit filed against Henry Clay Spradlin, against whom she made a charge of desertion. They were married April 11, 1939, and lived together until Sept. 4, 1947. Mrs. Spradlin is represented by Russell J. Alvarez, attorney.

FRUIT OF THE LOOM
THE COLLAR THAT HAS A
LONG LEASE ON LIFE
THE NEW WEAR-LOOM COLLAR
"GUARANTEED" WHITE SHIRTS
Despite higher costs these days, you can get your money's worth — and here's how: with these Fruit of the Loom whites you get an unconditional guarantee — plus the kind of wear that backs up that guarantee. The new Wear-Loom collar — made of tough, 2-ply yarns, actually outlives the rest of the shirt. It resists fraying, shredding, ripping, and tearing — and that means longer wear for your shirts.
Fruit of the Loom presents this new collar in a sparkling new white shirt. It's tailored of rich fabrics, and styled with unusual fashion-features: a Form-Fitted Shape, and a collar that's designed with rare distinction. Shirts that are worthy of their guarantee—soft, smooth, Sanforized-shrunk—and a rare value!

Complete Plans For Third Annual Church Breakfast

Women of the Loyal Partner's class of Central Christian church met at the home of Mrs. James Barnes, 1146 South East street, to complete plans for the third annual breakfast at Central, which is to take place in the church basement at 9 a. m. on Wednesday, Oct. 13.

A large crowd is anticipated for the breakfast. The guests will be interviewed by Willard Cody, again acting as master of ceremonies. Various prizes will be offered for the zaniest hats and other events. An orchid will be presented to the eldest guest.

The breakfast is patterned after the radio program, "Breakfast in Hollywood." Committees are as follows: Mrs. Barnes, general chairman; Mrs. Virginia Steelman, decorating chairman, assisted by the members; Mrs. Helen Hamey, foods, members assisting; and Mesdames Ralph Grogan, Harold Black, Delbert Ruble, Merle Crouse, Mina Prather, Fred Massey, Maurice Bonds and Frank Keppeler, soliciting.

Council Will Attend Convention Banquet

The entire Jacksonville city council is expected to attend the annual banquet of the Illinois Municipal League at the Hotel Abraham Lincoln in Springfield next Tuesday evening, Oct. 12. No meeting of the council is scheduled for Monday, which is its regular meeting night.

Mayor Ernest L. Hoagland will go to Springfield on Monday evening to attend an executive session of the league, of which he is a vice president. The principal sessions of the Municipal League will be held Tuesday and Wednesday.

Hotel reservations indicate that the 35th convention of the league will be the largest in its history. The Leland hotel will be headquarters for the convention. Business meetings will be held in other hotels, while the annual banquet is at the Abraham Lincoln.

A variety of subjects will be discussed by the mayors, aldermen and other city officials attending the convention. Foremost of these will be municipal revenue problems. Parking, sewer construction, drainage, city planning, building codes, tax levies and an assortment of legal problems will be taken up by convention speakers.

The Jacksonville council has had a near-perfect attendance at the annual convention for several years.

Amvets, Auxiliary To Hold Meetings On Same Night

At the regular meeting of the Amvets Auxiliary, Post 1000, it was announced that in the future meetings of the Amvets and of the auxiliary would be held on the same night.

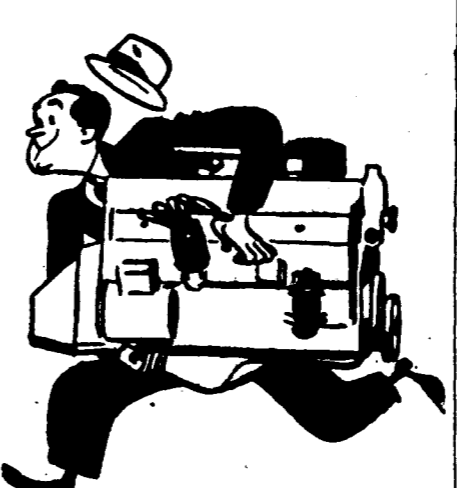

Plans were made for a rummage sale and a delicatessen sale. Betty Haynes, rehabilitation chairman, told of the work which the auxiliary is doing for veterans in local institutions.

Refreshments were served by Hazel Siegfried, Violet Grogan and Louise Myers.

Nazarene Church 40th Anniversary Observance Here

The Church of the Nazarene, located at Franklin and South Main street, will join in a churchwide observance Sunday of the 40th anniversary of the organization of the Church of the Nazarene as a Protestant denomination.

At the time of its organization, there were 10,000 members scattered widely in 228 churches, with a few missionaries in half a dozen foreign areas. The Sunday school enrollment was slightly more than 6,000.

At the present time, the membership is 210,000 persons, representing 3,350 churches in the United States, Canada and the British Isles, with nearly 200 missionaries in 28 foreign areas. Approximately 400,000 persons are enrolled in the Sunday school.

The church, which maintains international headquarters in Kansas City, Mo., supports six major colleges in the United States, one in Canada and one in the British Isles, as well as the Nazarene Theological seminary, graduate school for ministers and missionaries.

The local church was organized in 1929. Rev. S. P. McKay is the pastor.

RHEUMATISM YIELDS TO SPECIALIZED SYSTEM OF TREATMENT

Excelsior Springs, Mo., Oct. 9.—So successful has a specialized system proven for treating rheumatism and arthritis that an amazing new book will be sent free to any reader of this paper who will write for it.

The book entitled, "Rheumatism," fully explains why drugs and medicines give only temporary relief and fail to remove the cause of the trouble.

The ball clinic, Excelsior Springs, Mo., has perfected a specialized system of treatment for rheumatism and arthritis combined with the world famous mineral waters and

baths. This new system of treatment is fully described in the book and tells how it may be possible for you to find freedom from rheumatism.

You incur no obligation in sending for this instructive book. It may be the means of saving you years of untold misery. For writing promptly, the Clinic will send their newly combined book entitled, "Rheumatism—Good Health, Life's Greatest Blessing." Address your letter to The Ball Clinic, Dept. 1218, Excelsior Springs, Mo. but be sure to write today.

Crucial Pro Tilts Scheduled Today In Two Loops

New York, Oct. 9.—(P)—Top teams tangle Sunday in the major professional football circuits, with leadership in the western and eastern divisions of both the National League and All-America conference at stake.

In one of the most decisive Sundays of the pro season, especially in the All-America loop where the teams are nearing the half-way mark, the schedule finds these important battles:

All-America conference:

San Francisco 49'ers, western division leader, versus the Baltimore Colts, top club in the eastern division, at Baltimore.

National League:
Los Angeles Rams versus Chicago Bears at Chicago. In a game for leadership in the western division, the Redskins versus the Pittsburgh Steelers at Pittsburgh, with the Steelers in a position to tie the Redskins for the eastern lead by scoring a victory.

San Francisco remains undefeated in six games, just a jump ahead of the Cleveland Browns with a perfect record in five starts, and a win over Baltimore is virtually a "must" for the 49'ers.

The same goes for Baltimore, with three victories in five games, for the Buffalo Bills are only one game back in second place after Baltimore's 14-10 defeat at the hands of Cleveland last week.

The Bills entertain the New York Yankees, 1947 eastern division champs, at Buffalo, and a Baltimore defeat plus a Buffalo or New York win would tighten the division scramble. Buffalo has taken two on five games, while the injury-riddled Yanks have lost four of five.

Depends Upon Series

A third All-America tilt between the Brooklyn Dodgers (0-5) and the Browns in Cleveland depends on the World Series between the Indians and Boston Braves. If the series ends tomorrow, the grid teams will meet tomorrow night in Cleveland Stadium. If rain causes any postponements, the game will be Monday night, or the same night as the final series game in the Ohio City.

The Chicago Bears, who stopped the Chicago Cardinals victory streak with a 28-17 verdict Monday night, must be at peak form to handle the Los Angeles Rams. The undefeated Bears top the western division with two straight victories; the Rams have won one game, and gained a 28-28 tie against the Philadelphia Eagles last Sunday.

In the National League's eastern division, Washington and Pittsburgh renew hostilities suspended Sept. 26 when the Redskins gained a 17-14 verdict over the Steelers at the nation's capital. The Redskins have won two games, while the Steelers are tied with the New York Giants for second place with one victory and one defeat.

Two other important National League games round out the pro activities.

The Green Bay Packers (2-1) meet the Chicago Cardinals (1-1) in a western division game at Milwaukee. The Giants (1-1) take on the Eagles (0-1-1) at Philadelphia.

1948 Illini Set To Break Record For Attendance

Champaign, Ill. — Attendance at Illinois' five home games of the 1948 season will set a new all-time record, George Legg, Illini ticket manager, announced today.

Advance sales for Purdue, Iowa, and Ohio State games plus the sell-out for Army and 29,593 who attended the Kansas State opener have pushed estimated season figure to 250,712, Legg said.

This is far in excess of the present mark of 226,957 set in 1946 when only four games were played in Memorial Stadium. Last year's home crowds totaled 226,416.

Figures for 1948 are:
Kansas State 29,593
Army 21,119
Purdue (estimate) 50,000
Iowa (estimate) 40,000
Ohio State (estimate) 60,000

250,712
With all road games sold out, the season's total figure will reach approximately 480,000, which is a new record for a regular schedule and is exceeded only by the 500,000-plus attendance of 1946 which includes the post-season Rose Bowl crowd.

The last eruption of Mount Mazama, the volcano that formed Crater Lake, in Oregon, is estimated to have been at least 1000 years ago.

Boudreau Remains Pessimistic About Cleveland Victory

Cleveland, Oct. 9.—(P)—Practically everyone except Manager Lou Boudreau was willing to concede today that his Cleveland Indians just about had the world series wrapped up and tucked away.

The Tribe now holds a three-games-to-one advantage.

Boudreau strolled into his office after the fray, put his house-lipped feet on his desk, and answered questions.

The fancy-fielding Frenchman, only playing manager in the majors, said:

"Yes, I know we're out front and need only one game. But I won't admit we're in the driver's seat yet. I will say that my pitching aces (Bob Feller, Bob Lemon and Gene Bearden) are in great shape and ready to go. We'll go with Feller tomorrow. (Billy Southworth's) Braves will pitch Nelson Potter."

"Wasn't Steve Gromek great out there today? It wasn't a gamble to send him in, for he has been our spot pitcher all year."

Gromek, tall blond who was an infielder-outfielder until the Tribe picked him up in 1941, tagged his seven-hit victory "the greatest thrill I've ever had."

Gromek said he used a lot of high outside stuff on the right handed batters, and low inside ones on the lefties.

Boudreau and Gromek agreed that Steve's most effective pitch today was a knuckle ball curve—the only one in the business.

Larry Doby, Negro outfielder for the Tribe, was a happy guy over his third inning homer which eventually won the game.

"That Sain is a good pitcher," Doby observed. "Generally you don't get any fat pitches from him. I was lucky he dropped that nice slow curve in there for me."

Coach Glen Smith has three of his first team on the injured list. Bob Kattelman hurt his ankle in the first half of the Greenfield game. Bib Sidwell, halfback, broke his foot in practice before the Roodhouse game. During the game with Roodhouse another key player, Bob Johnson, tackle for the Saukies, injured his ankle and will miss the remainder of the season.

Greenfield showed a fine attack in the first period in the game with Pittsfield but a bad kick caused the Saukies to score early. Niebur and Colver did the work of carrying the ball in the second half after the captain of the team, Bob Kattelman, was injured. This led to a sure bet for a selection on all-state elevens this year.

Coach Don Luketich played the second string quarterback and fullback against Pittsfield, as his quarterback and fullback, Gustine and Tucker, respectively, are on the injured list at this time. Captain Owens and Cochran did most of the ground gaining for the Tigers while Nilong, Waltrip and Baldes were the best in the forward wall for the Greene county team.

In Williams the Pittsfield has a fine passer. Two good ends, Voshall and Zimmerman, do the receiving. Bob Dell at center is another steady player for the Smith eleven and Henry is a fine lineman.

Valley fans are watching the Oct. 29 game with Jerseyville at Pittsfield with interest as it might decide the championship for 1948.

Gene Crumley, backfield star for Coach Bob Wixom's Rushville eleven, played on the Winchester team two years ago. Crumley and Patterson are among the best candidates for all-state recognition in this area.

Bill Smith, 261 pounder and 6 ft. 2 in. lineman for Coach Howard Lester at Winchester is the heaviest Ivy player. Winchester has an enrollment of 275 students at rate as one of the larger Ivy high schools. Jerseyville has the largest enrollment of conference members.

Ken Barnard, fleet White Hall halfback has the distinction of scoring six touchdowns against Winchester teams in four years. Two each of his first two years of competition and one each of the last two seasons.

Carrollton high has a good punter and ball carrier in Gale Staples. This lad holds the Ivy pole vault record at 12 ft. 3/4 in., established last year.

Ivy players that have indicated they are trying to land places on the all-state teams or honorable mention lists. Among the takers in Ivy game are Kattelman, Zimmerman, Niebur and Vohall of Pittsfield; Ballard, Scott, Benner and Hutton of Roodhouse; Staples, Brannan, Riddings, Linn and Ballard of Carrollton; Barnard, Milnes, Wyatt, Blacketter, Roodhouse and DeShazer of White Hall; Anderson, Neimeyer, Freeman and Thomas of Pleasant Hill; Owen, Nilong, Gustine, Tucker, Cochran and Kinder of Greenfield; Bailey, Davis, Waggoner and Hewitt of Jerseyville; Wisdow, O'Donnell, Nash, and Coultas of Winchester.

The Ivy basketball conference has all new coaches for this season except Roodhouse, where Coach Mason Campbell is in his 10th year as head coach in all sports. New mentors: White Hall, Howard Berline; Greenfield, Don Luketich; Carrollton, Clarence Bradley; Winchester, Howard Lester and Jerseyville, A. V. Halt Jr.

White Hall and Roodhouse have new gym floors for the coming season and each team has several fine teams to meet this year at home. Waverly and Jacksonville play at Roodhouse while Carrollville and Bluffs go to White Hall in non-conference games.

Walt Winter, former star center at Pittsfield, is attending Culver-Stockton College at Canton, Mo. Pittsfield, Coach Glenn Smith was headlinedman at Monmouth-Culver Stockton game last week.

A. D. "Red" Ruyle, former star at Roodhouse high in football and basketball, is playing on the varsity at Arkansas State College this year. Richard Carman is out for the team at Shurtleff College. He was among the best last year at Roodhouse, playing on the Ivy championship eleven.

Bob McCarthy, former White Hall all around athlete in 1943, is captain of the football team at Eureka College this year. Eugene McCarthy, brother of Bob, is playing center for the same team as a sophomore standout.

Blueboys, Tigers Return To City Next Weekend

Illinois College and Illinois School for the Deaf grid teams, both away Saturday, return to the home grid-irons next week end while the surprising Jacksonville high school Crimson move to Springfield to do battle with Feitshans in a Central conference engagement.

The Blueboys face Eureka Friday night at the J.H.S. athletic field. The Tigers tackle Wisconsin School for the Deaf in the westenders' homecoming feature Saturday afternoon. The Crimson's tilt at Feitshans is also slated for Friday night.

Football action gets underway earlier in the week. The Jacksonville high school freshmen-sophomore assembly, victorious in its first battle against Winchester two weeks ago, moves into tougher company, facing Beardstown at the J.H.S. athletic field Wednesday night at 7 o'clock.

In other games in this area: Waverly, once again loser by a small margin, at Girard Friday, attempts to get back on the victory trail in a conference game against Nokomis at Waverly Friday evening.

Pittsfield, Illinois Valley conference championship contender, will be highly favored in a combat on the Pleasant Hill gridiron Friday afternoon.

Jerseyville, winner of four straight, Friday night entertains the Winchester Wildcats, who have developed into more of a threat than expected.

Roodhouse, which sneaked by Winchester last week, tours to Greenfield Friday night.

Carrollton entertains White Hall Thursday night.

Rumor Bosox Will Trade Pesky To Nats For Vernon

Cleveland, Oct. 9.—(P)—Bill Wamby, who made an unassisted triple play at second base for Cleveland in the 1920 world series, and Elmer Smith, who clubbed a grand slam home run for Cleveland in the same game, watched yesterday's game here from seats directly behind home plate.

"This is the first world series I've seen since our 1920 victory," Wamby said. "Elmer, of course, played in two other series with the New York Yankees."

Wamby was known as Bill Wambagans back in 1920 when the Indians won their only world championship by beating Brooklyn five games to two.

There's talk here that the Washington National and Boston Red Sox have negotiated a deal to send their third baseman Johnny Pesky to Washington for first baseman Mickey Vernon.

Jeff Heath, former Cleveland outfielder, and now a Boston Brave, sidelined from the series with a broken ankle, says "It doesn't feel too good to sit and watch 'em play. Looking at the outfield barrier Bill Veck had erected, the long-hitting Heath wished "that fence was up there 10 years ago."

Just in from Tucson, Ariz., and wearing a sombrero, 12-year-old Billy Veck, son of the Cleveland Indians' president, sat with his grandmother, Mrs. William Veck, Sr., of Hinsdale, Ill., at yesterday's game.

Larry Doby, the Indians' speedy outfielder, has the best batting average for the series so far and is the only player to hit safely in all three games. He has a mark of .363, having hit safely on four of 19 trips to the plate.

New York Stock Market

New York, Oct. 9.—(P)—The stock market found a steady price footing today after a wobbly start.

Trading was unusually slow ever for a Saturday session. Several large blocks of stock changed hands but most of the time the ticker tap loafed. Many issues failed to open at all.

Turnover for the two hour day was in the neighborhood of 200,000 shares, which would compare with 220,000 a week ago.

The possibility that decisive news regarding the Berlin blockade might be forthcoming over the weekend tended to brake activity. Many traders, too, were simply away on a long weekend.

A fairly active performer was Consolidated Textile, which declined fractionally to a new low for the year. Weakness in this issue reflected increasing concern over prospects for the textile industry generally.

In the plus column were U. S. Steel, Caterpillar Tractor, American Tobacco, and Standard Oil (N.J.). Corporate bonds moved narrowly. The U. S. Government over-the-counter market was shut down for the weekend.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 9.—(P)—All classes of livestock were quoted nominally steady in the usual daily Saturday trade today. Top for hogs was \$25.75.

Hog prices broke quite sharply in the early part of this week, sinking to new seasonal lows, and managed to regain only a small part of the loss in later trading. Heavy weight sows, composing only a small part of the run, held steady.

Major reason for the break was an increase in receipts, which totaled around 250,000 head at 12 major markets compared with 200,000 head a year ago. Wholesale pork prices were marked down sharply in order to move the increased meat supplies.

Although yearlings and light steers held steady, just about everything else in the cattle section declined. Cows went to their lowest prices of the year. Top for choice to prime steers was \$41.00. Most good and choice offerings sold at \$30.00 to \$38.50.

In contrast with hogs, sheep receipts declined this week. But prices ended lower, although recovering a good part of an early break. Slaughter lambs dropped 50 cents and yearlings and ewes 50 to 75 cents.

WHEAT SHOWS FIRM TONE; OTHER GRAINS TEND TO SLUMP

Chicago, Oct. 9.—(P)—Wheat showed an underlying firm tone in a grain market which otherwise slipped a little lower today. Mills bought wheat and it was announced that six cargoes of 80 per cent extraction flour were sold to Italy overnight.

Trade was rather light in all pits. An improvement in mid-west weather caused some selling in corn and soybeans. Spot corn prices also were a little lower and offerings of to-arrive grain expanded to 82,000 bushels. A leading processing interest was reported as not wanting any more corn right now.

Wheat closed 1 lower to 1 higher, December \$2.25½. Corn was 1-1 lower, December \$1.42½-43. Oats were 1 lower to 1 higher, December 74½. and soybeans were 31-41 lower, November \$2.47-2.46½.

Preliminary estimated receipts of grain in carlots here today. Wheat 11; corn 89; oats 13; rye 5; barley 19 and soybeans 58.

Steve Gromek Hurls Cleveland To Third Straight Win

Big Second Half Nets Tigers 13-0 Victory At Minnesota Deaf

Fairbault, Minnesota—(Special)—Surging through an outclassed Minnesota School for the Deaf eleven for two second half touchdowns, the Illinois School for the Deaf Tigers racked up their third consecutive gridiron victory here Saturday afternoon, 13-0.

Enjoying a beautiful football afternoon, the visitors found the going a bit tougher than last season, when they swamped Minnesota at Jacksonville, Illinois. The fiery home team, playing in a homecoming feature, desperately battled off Illinois every effort in the first half.

Coach Art Yates' Tigers had to go some defensive battling of their own, particularly in the first and fourth stanzas, to snatch the decision. Fumbles cost.

Fumbles were costly for the visiting aggregation, stopping several first-half drives by the Tigers. While the Illinois eleven stuck to ground plays, Minnesota made effective use of aerials for most of the home team's yardage. Caswell, smooth-working Minnesota quarterback, handled the chucking chores with perfection.

It was Stanley Kwiat, I.S.D.'s veteran fullback, and David Early, speedy halfback, who stole the show. Their running was the highlight of the Illinois offense.

On defense, Marsala stood out for Coach Art Yates. Burke, a substitute fullback, was credited with an inspired defensive exhibition for the hosts.

How They Scored
After stalling several times on fumbles in the first two cantos, the Tigers began a determined attack in the third quarter. A series of gains on short runs carried the Jacksonville eleven deep into Minnesota territory.

With the ball on the host's 15-yard line, Kwiat headed into the line on what looked like another of his rocking plunges. The fake worked perfectly as he drew in the Minnesota defense, then lateraled to Early going around end. Early dashed all the way over the goal line. Kwiat attempted to plunge for the extra point and was stopped short.

The Tigers struck again early in the final period. This time Kwiat kept the ball, and he dashed 15 yards off right tackle for the marker Billy Yates placekicked the extra point to give the Illinois outfit a substantial lead.

Notre Dame Eleven Comes From Rear For 26-7 Victory

South Bend, Ind., Oct. 9—(AP)—Notre Dame put on another victory march Saturday—26-7—against a tough Michigan State team.

A crowd of 58,126 saw the Irish score in every period on parades of power that went 70, 96, 80 and 20 yards.

Notre Dame thus ran its remarkable record to 21 games in a row without a loss.

State Stars First
The Spartans landed the first punch in the opening quarter. Horace Smith set up the scoring opportunity when he intercepted a pass on the Irish 21. Lynn Chandoins went around his left end to the six, and Leroy Crane crashed over a touchdown. Smith kicked the extra point.

Notre Dame rallied and drove 70 yards on running and passing plays. Frank Tripucka tossed four yards to Leon Hart for the score. Steve Oracko's attempted conversion was wide.

Notre Dame, from that point on, made efficient use of its bigger and better line. The Irish put on a 96-yard attack that put them out in front. The drive was sparked by a 32-yard dash by Bill Gay. Mike Swistowicz scurried the final 12 yards for the decisive score. Oracko missed the extra point again.

Running Plays Gain Touchdown
The Irish put together 80 yards through the Spartan line and off the ends and tackles to score for the third time. Terry Brennan made the touchdown on a one yard plunge. Oracko added the additional point.

The last trip to the goal was short and quick. Bill Gay snagged George Guerre's pass on the Michigan State 35 and brought it to the Spartan 20. Brennan went through for six yards. Then Emil Sitko bulled his way for 14 yards to a touchdown. Oracko kicked the extra point.

TEXAS CHRISTIAN Aerials Net Win In Last 3 Minutes

Bloomington, Ind., Oct. 9—(AP)—Texas Christian university waited until the last three minutes to unlock its passing attack against Indiana Saturday, but then aerials bubbled over to give the Horned Frogs a 7-6 victory over the previously undefeated Hoosiers.

Lindy Berry, 19-year-old backfield sensation for the Frogs, set up TCU's only touchdown threat and then climaxed the 59-yard march with a gaudy eight-yard run around right end for the score.

After Homer Ludiker had come in to boot the extra point that won the game, Indiana could not come back.

BRADLEY OUTPOWERS KANSAS STATE TCHRS.

Peoria, Ill., Oct. 9—(AP)—Bradley University's Braves pulled out 416 yards in rushing and added a strong passing attack to down Kansas State Teachers, 32-6, Saturday night.

Third string quarterback Larry Corray passed for two Bradley touchdowns and accounted for 105 yards in three of his tosses.

Missouri Knocks Favored S.M.U.

20-14 Saturday

Columbia, Mo., Oct. 9—(AP)—Using a destructive ground attack, the Missouri Tigers smashed over three touchdowns in the second half for a 20-14 football victory over favored Southern Methodist university's Mustangs Saturday.

An all time Missouri home record crowd of 30,892 fans saw the Tigers spot Southern Methodist a 7-point lead in the second period. Then they stormed back to hand the Mustangs their first defeat since their loss to Arkansas in 1946.

Doak Walker, SMU's All-America back, played the full 60 minutes, and played brilliantly, but the two touchdowns he made and his two conversions couldn't match Missouri's powerful running attack.

WESLEYAN BLASTS ELMHURST

Bloomington, Ill., Oct. 9—(AP)—Gerry Bradley snared a pair of touchdowns passes Saturday as Wesleyan shut out Elmhurst, 2-0, in a College Conference of Illinois football game.

Western outcharged Elmhurst throughout and the Panthers wound up with a minus nine yards in rushing.

Wheaton Beats Millikin

Wheaton, Ill., Oct. 9—(AP)—Fullback Chuck Schoenherr contributed two touchdowns Saturday to Wheaton's 25-0 victory over James Millikin. Schoenherr raced 38 yards through tackle for one score. Halfback Danny Gardner and Tackle Dale Oxley also marked up touchdowns. Oxley recovered a Millikin fumble in the end zone.

Duke Slaps Middies

Durham, N. C., Oct. 9—(AP)—Duke found the scoring punch it has been looking for all season and rolled over Navy, 28-7, Saturday for its first victory.

AUGGIES IN NARROW WIN

I.C. Stays Undefeated; Takes 14-0 Loop Win Over North Central

Naperville, Illinois—(Special)—Illinois college capitalized on a series of North Central fumbles while displaying a practically impenetrable line here Saturday to score a 14-0 College Conference of Illinois victory and remain undefeated in three starts.

So strong was the Blueboy defense that not once during the contest did the favored Cardinals move within the I.C. 25-yard stripe.

Illinois college stars glittered Saturday not on yard-gaining, but on the sensational defense which the Blueboys threw up.

Top-Flight Punting

A big factor in the Illinois college success was the beautiful punting performance of Paul Lesley, former Jacksonville high school back. Lesley punted out of bounds five times between the goal line and the five-yard marker on the North Central end of the field.

Lesley's punting spectacle was superb considering a strong cross-wind which made passing difficult throughout the combat.

Sam Spink, I. C. tackle and co-captain and another Jacksonville product, was credited with the finest game of his career. He broke through the N.C. line repeatedly.

But Spink was not alone. The entire line performed excellently. Another standout on defense was George Florence, also of Jacksonville.

Longer In Long Run

Longer got the Blueboys off on the right foot by returning the kickoff to the 50. But the visitors bogged down and Lesley was moved into the backfield for his first coffin-corner punt.

North Central failed to gain and punted to Art Wilson, who moved into North Central scoring territory on two runs. A fumble stopped the advance.

I.C.'s first break came as Ben Burch faded to pass. He was hit hard by Don Longier just as he launched the aerial. The ball sailed low over the line and Jim Spink pulled it out of the air.

The Billings-to-Wilson combo then clicked for the first score. The tally came in the second period and Wilson place-kicked the added point.

In the third quarter the Blueboys gained possession of the ball on the North Central 20 on a fumble. It took Joe Hill exactly two plays to ram over for the counter. Wilson again made the extra point, this time on a running play. The fumble was recovered by Charlie Duce.

Burch Sparks N. C.

Burch was the sparkplug for the hosts all the way. The veteran of last year's conference championship outfit passed and ran brilliantly, but never for the sizeable gains which he was able to rack up in Jacksonville last season.

Illinois college totaled 12 first downs to North Central's six.

Just as the hosts were troubled with fumbles, so were the Blueboys. They had at least eight backfield miscues during the course of the afternoon.

The visitors, who have excelled on their passing game previously, opened up an impressive ground attack here Saturday afternoon and undoubtedly would have scored often had it not been for the fumbles.

Michigan Wallops Purdue In 40-0 Grid Surprise

Lafayette, Ind., Oct. 9—(AP)—Michigan's cream-smooth Wolverines fuddled Purdue's Bollermakers Saturday with adroit ball-handling behind the line and plunged and passed to a 40-0 victory in the first defense of their 1947 Western conference championship.

The Purdue homecoming crowd of 45,596, biggest ever packed into Ross-Stadium, sat mute as Michigan put a quick finish to Purdue's Big Nine ambitions.

The Wolverines scored in every quarter—twice in the first and fourth—and stifled Purdue's infrequent threats with pass interceptions and fumble recoveries.

It was the third straight loss for Purdue, which apparently left its spark in Notre Dame stadium in a 26-7 loss to the Irish two weeks ago.

Michigan collected most of its yardage on the ground, 164 yards to Purdue's 36, and also out-gained the Bollermakers 171 yards to 122 in the air.

Coach Bennie Oosterbaan's Wolverines operated too much as a machine for concentrated individual honors, but Halfback Walter Jennings was big as a wheel as Michigan had. He passed and punted spectacularly and plunged 10 yards for his team's fifth touchdown.

Michigan passed around its scoring assignments, with only Fullback Tom Peterson getting two touchdowns. Leo Kocesi, Dick Rifenburg and Charley Lentz made one apiece.

Purdue's best drive came in the second period after it already trailed 13-0. Starting from their own 17-yard mark, the Bollermakers moved to Michigan's one-foot line in 12 plays. They lost the ball on downs.

WESTERN LOSERS

Macomb, Ill., Oct. 9—(AP)—A recovered fumble late in the third period paved the way for a touchdown and a 7-0 victory by Eastern Illinois State over Western Illinois Saturday night.

Halfback Norbert Smith dived on a Western fumble on the westerners 19 yard line, and on the opening play of the final period Halfback Don Johnson plunged from the eight for the score.

California Bears Swamp Wisconsin In 40-14 Battle

Berkeley, Calif., Oct. 9—(AP)—California's Bears, main Rose Bowl hope of the West Coast, crushed Wisconsin's Badgers 40 to 14 Saturday in an intersectional football clash before 66,000 fans.

The big, bruising Bears, racking up their fourth successive victory in what may well be an undefeated season, outcharged and outmaneuvered the Badgers almost all the way. They held a 40 to 0 lead with only a few minutes left to play.

Wisconsin, with California reserves on the field, rushed over two quick touchdowns to save itself from being blanked. Right tackle Harold Oltback intercepted a fumble by California's quarterback Charles Erb.

The 200-pound lineman charged 23 yards for the touchdown.

Second Badger Marker

The Badgers then put on a 43 yard scoring march, with Gwynn Christensen going over from six yards out. A 35-yard pass from Forrest Parrish to Tom Bennett featured the advance.

Lisle Blackburn place kicked both extra points.

The Bears took the opening kickoff and smashed 71 yards on nine ground plays and one pass for the initial score. The second touchdown followed an intercepted pass on the Wisconsin 16.

Bill Main scored the first two touchdowns, slicing through the line from the 21 and 3 yard markers, respectively.

Bill Montagne set up the second touchdown when he intercepted Blackburn's pass. Montagne also scored two touchdowns, one in the third and one in the fourth periods.

He ran 26 yards after intercepting John Pinnow's pass in the third period.

Spectacular Catch

In the fourth quarter he made a diving catch of Pete Schabarm's throw, a 28 yard touchdown strike.

The Bears started a scoring march late in the first period and put over a touchdown just after the second quarter started. It was good for 78 yards. Jackie Jensen raced around right end 13 yards for the score.

The other touchdown, starting the fourth, saw Bob Celeri pass 45 yards to Hal Sarver. It put the ball on the six yard line, and Sarver plowed through for the score. It capped a 58 yard rush.

Place kicking specialist Dick Cullom converted four times.

By quarters:
Wisconsin 0 0 0 14-14
California 13 7 7 13-40

Scoring:
Wisconsin scoring: touchdowns—Oltback, Christensen. Point after touchdown, Blackburn 2 (place-kicks).

California scoring: touchdowns—Main (2), Jensen, Montagne (2), Sarver. Points after touchdown—Cullom (4), placements.

CARTHAGE DEFEATED

Lake Forest, Ill., Oct. 9—(AP)—Lake Forest College opened its home season by blinking Carthage College's Redmen, 8-0 Saturday in a college conference of Illinois contest.

PRINCIPIA IN VICTORY

Elmhurst, Ill., Oct. 9—(AP)—Bill Hueffner bucked across the goal line for the only touchdown as Principia College defeated McKendree College of Lebanon, Ill., 7 to 0 Saturday.

Larry Gerber kicked the extra point.

Circuit Clouts Figure In 1948 World Series For 1st Time Saturday

Cleveland, Oct. 9—(AP)—Steve Gromek stood the hapless Boston Braves on their collective heads today before 81,897 customers, a new series record, as the Cleveland Indians took a virtual stranglehold on the world baseball championship with a 2-1 victory over the National leaguers.

Gromek, right out of Manager Lou Boudreau's bottom drawer, gave the Indians a 3-1 advantage in games, putting them in a position to close out the series tomorrow behind Bob Feller, Larry Doby's third-inning homer, the first of the series, provided Gromek his margin of victory.

The only score the Braves made off the 27-year-old right-hander was a well tagged home run in the seventh by Marv Rickert, the minor league outfielder who got in the playoffs at the last minute because of an injury to Jeff Heath.

Crowd Sets New Mark

Today's vast crowd, although slightly under the major league record 82,751 which saw a midseason Cleveland-Philadelphia doubleheader in the vast Municipal Stadium here, paid \$370,775.03, also a new series mark. The old series attendance record was 74,065 set in Yankee Stadium last year, and the previous high gate was made here yesterday—\$345,614.47.

The Indians today beat the big tobacco-chewing fellow who licked them in the Boston opener, Johnny Sain.

They clipped him for only five hits, all in the first five frames. But one of their blows was a double by Boudreau with an underling on base in the first inning, and another was a home run smash by the Negro outfielder, Larry Doby, deep over the right center field railing in the third.

Gromek Dumbfounded Boston

That was all Gromek needed as he sneaked a weird assortment of curves and screwballs past the bewildered Bostonians. In all, he gave up seven hits, but Rickert was the only brave to see third base. Just to demonstrate that he could do it, the Cleveland chucker racked up two strikeouts in the final inning, his only ones of the game.

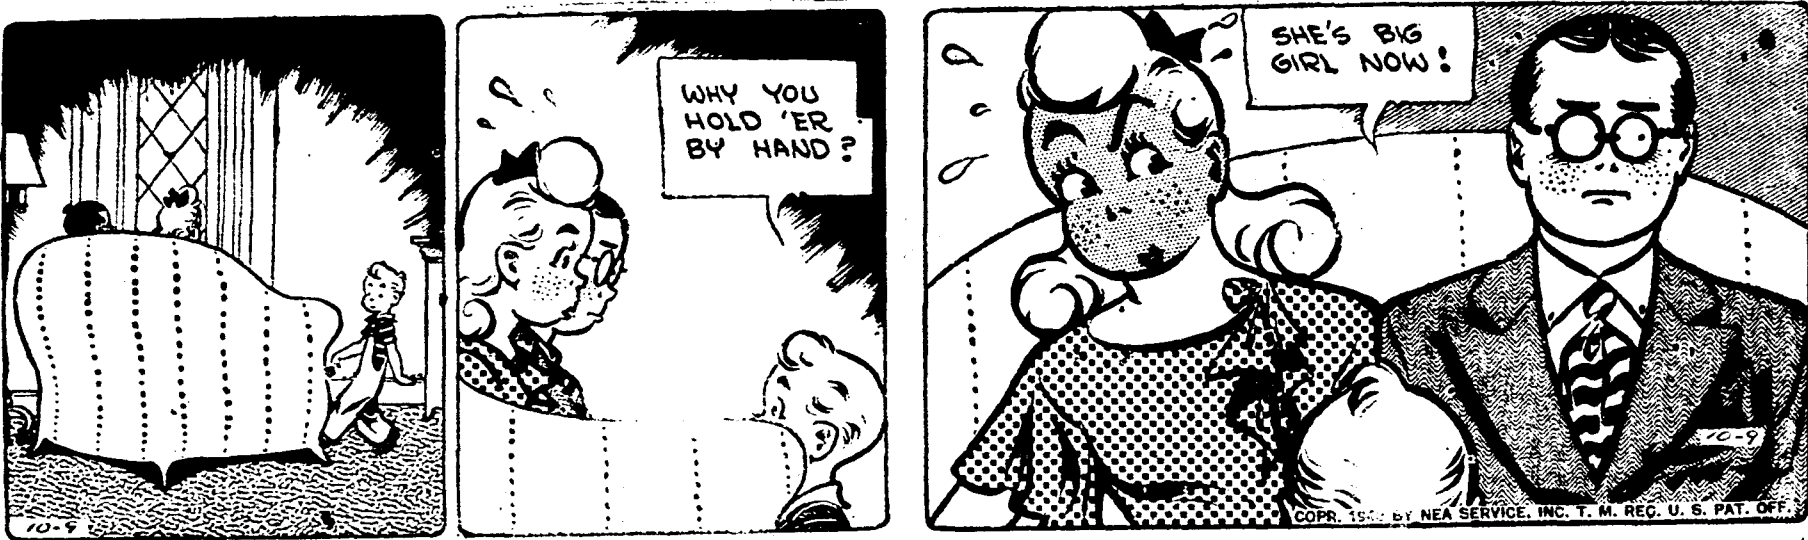

Again, and for the fourth straight day, today's great crowd more or less sat on its hands. Pitching duels do not, for some reason, generate a great deal of enthusiasm, and all this series has seen is pitching of a very high caliber, indeed.

THE Loves of Carmen
 By SOPHIE KERR
 Copyright, 1948, NEA SERVICE, INC.
 Serialization of screenplay from a novel by Prosper Merimee

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. On his first day in the city, a gorgeous gypsy girl flirts with him, then disappears. Some days later he is on duty in the square with his friend, Andrea, when he sees her again. Andrea greets her warmly as Carmen, but her glances are all for Jose. Shortly afterwards, Carmen gets into a street brawl with another woman and knives her. Jose, ordered to take her prisoner, lets her escape. As a result, he gets extra guard duty and is confined to barracks for 30 days. On the last night of his extra duty, he is ordered to see Carmen attend a party at the colonel's house. She turns his questions aside, hints he meet her at Lillia's Parlor. But at the tavern, Jose discovers a drunk and crying Andrea. She tells him the truth about her love and death. Later that night Carmen is dancing for the gypsies when she sees Jose on the edge of the crowd. She aims her handkerchiefs directly at him; at the finish, she leads him away with her.

XII
LILLAS PASTIA'S tavern sign swung with the wind as Don Jose and Carmen walked under it and entered the inn. The old crone who had told Carmen's fortune sat with another ancient gypsy woman behind the counter. They looked at the two who entered, then at each other. Then they shrugged and went back to their various duties. Carmen noticed the interchange of glances and perhaps because of this she was overly loud and overly gay as she greeted them.

"Come, you two, we are hungry people. Aren't we, soldier? We want nougats and yemas—and a bottle of wine—and some bread and cheese—" As she talked Carmen helped herself to the things she named, snatching sweetmeats from the counter, standing on tiptoe to reach the wine, bending to low shelves and banging on the counter in front of the old fortune-teller.

CARMEN kicked a door open with her foot and followed it over the threshold, her arms filled with packages. Don Jose was at her heels, twice as laden. "This is where I live," Carmen announced, kicking the door shut. "Does it please you?"

Don Jose put down the packages and looked around the room, fascinated because it was Carmen's. The candlelight threw lines of shadow on the untidy piles of clothes and blankets. The room held the tumbled carelessness of a gypsy. Carmen dumped her own packages on the table willy-nilly, some of them falling to the floor unheeded.

The young soldier said breathlessly, "So this is where you live!" "This is where I live when I am in Seville."

"Where do you live when you are not in Seville? I've heard—" "Then you've heard lies." She went to him quickly and stood in front of him; lifting his helmet, then unbuckling his sword, she stared into his eyes. Her hands went to his throat and unclasped his cape.

"The people who have told you about this lie about gypsies." The cape slid from his shoulders to the floor but she did not move her hands. Instead they went slowly around his neck, caressingly. She looked up into his face. "They always lie," she said, "Lies, lies, lies!"

Now he was in the city, in the Seville of a hundred varied tales. For the first time a faint puzzled awareness came into her consciousness that this could be the man in her fortune. Then she shook it off, dismissing the thought as nonsense, and started heaping packages into the arms of Don Jose.

He reached for her greedily. He kissed her like a man starved for the kisses of the woman he has always loved. He laid his face against her copper-wire hair and held her more and more tightly to himself, as though he would never let her go. "You love me, Carmencita," he breathed in a husky voice. "I know it now."

Carmen pulled away from him suddenly, gazing at him with the same puzzled look in her eyes that she had had during the scene with the old fortune-teller in the inn. "No." The word hit him as a whiplash across the face. "That is impossible. I've never loved anyone in my life."

School Unit Proposal Beaten By 10-1 Ratio In Saturday's Voting

The proposed single unit school district for much of Morgan county, plus sections of Cass and Scott counties, was overwhelmingly defeated by the voters in Saturday afternoon's election. The total vote was: For, 317; Against, 3302, approximately a 10 1/2 to 1 majority against the measure.

To Speak Tuesday

Dr. Leonard Odiorne, pastor of the First Federated Church of Peoria, will address the members of the Congregational Women's Pilgrim society, at their dinner meeting at 6:30 p.m. Tuesday.

Doctor Odiorne was a delegate to the World Council of Churches held in Amsterdam, Holland recently. While overseas he visited England, Netherlands, Germany, Switzerland, France and Czechoslovakia.

In his report on his experiences, he will discuss the church and the present crisis, the problem of maintaining morale in a worried world, and what we can do to help solve the pressing question of "placing displaced persons."

The members of the Pilgrim Society will bring their husbands and other guests. Mrs. William Cole will be in charge of the program and Mrs. W. H. Fankhurst has charge of the dinner arrangements. For reservations phone 1435 not later than noon Monday.

Edna Carpunky, Former Carrollton Resident, Dies

Carrollton—A former Carrollton resident, Mrs. Edna Carpunky of Springfield, died Friday noon at St. John's hospital in Springfield, where she had been a patient since Sept. 8.

Mrs. Carpunky was the former Edna Spears, daughter of Mrs. Stephen Taylor of Eldred. She was 38 years of age. Her mother survives.

The body has been taken to the Simpson Funeral Home in Carrollton, where the Rev. John W. Crouch will conduct services at 2 p.m. Sunday. Burial will be in City cemetery.

National War Dads Auxiliary Honors Morgan Resident

Mrs. Clyde Vasconcellos, 872 N. Church street, was elected a national vice president of the War Dads auxiliary at the sixth national convention held last week at Buffalo, N.Y.

Morgan county residents attending the convention included Mrs. Tom Ruby, Rural Route 4, Jacksonville; Mr. and Mrs. Clyde Vasconcellos; Mr. and Mrs. Roy Newberry, Rural Route 3.

The 600 delegates were guests of the New York state chapters during a trip by special train to Niagara Falls, Ontario. There they viewed the falls illuminated by colored lights. This display has been prepared in recent months due to an acute power shortage in the region, but was turned on in honor of the convention delegates by special authorization of Mayor W. L. Houck.

On the return trip the Morgan group visited historic Fort Niagara on Lake Ontario, took the new Queen Elizabeth highway to Hamilton, Ontario, and returned to the United States via the Detroit river tunnel.

Two Small Houses Sold At Auction

A four room house at 603 Hooker street, belonging to John H. Carl, was sold at public auction Saturday to Alfred H. Guy of Roodhouse for \$1,070. The house and garage are located on a lot 100 by 120 feet.

Gail B. Ransom, administrator of the estates of Amy E. Craig and John H. Craig, conducted the sale of a house located at 610 South West street, which was purchased by Robert Smith for \$1,000.

M. Brooks Byus is attorney for the administrator. Middendorf brothers were auctioneers of both sales.

Ashland Policeman In Pistol Battle With Burglars

Ashland—Residents of this city were aroused at 2:30 a.m. Saturday by an exchange of pistol fire between Night Watchman Romay Norris and two Negroes whom he surprised while they were attempting to enter the locker plant owned by Joe Meinleu of Springfield.

The plant is located near the railroad tracks. The officer commanded the men to surrender and when they separated and began to run he fired his revolver once. One of the fleeing men shot at Norris, who emptied the cylinder of his revolver at the pair of men. One ran through the city park, a block east of the locker plant, and the other made his escape up the railroad track.

It is believed that neither of the men was injured and that they escaped in an automobile parked near the railroad right-of-way, near the Harvey Creed poultry house.

Automobiles Run Into Horses On U. S. Highway 67

Lives of two automobile drivers were endangered by horses which strayed on U. S. Route 67 near Murrayville late Friday night, resulting in two collisions.

The horses were injured, the cars were damaged, but the drivers escaped injury.

Harry Moas of Wood River, driving a 1948 Plymouth car, collided with a horse about one mile south of Murrayville. The front end of the car was considerably damaged.

A. B. Stewart of Wood River struck a horse on the pavement three miles north of Murrayville. Both horses suffered cuts on their legs. Each was later rounded up and driven into pastures. They are reported to have gotten out of an enclosure at Murrayville, after which they wandered along the highway in opposite directions.

Deputy Sheriff Arthur Roach went to Murrayville in response to a call for help after the two collisions.

Local Couple Observes 25th Anniversary

Mr. and Mrs. J. Russell McGee, rural route three, Jacksonville, will mark their 25th wedding anniversary on Sunday, Oct. 10.

Open house was held in their honor Saturday evening from 7 to 9 o'clock at the home of their niece, Mrs. Ray Walker, 1503 West College avenue. Friends of the couple called to pay their respects and to extend best wishes.

Mr. McGee and the former Myrtle Marie Taylor were married in 1923 at the home of her parents, Mr. and Mrs. W. A. Taylor, in Lexington, Ill. Most of their married life has been spent in this community. Their niece, Mrs. Walker, was reared in their home.

Social Events

Wesley Chapel Women Meet

The Wesley Chapel W.S.C.S. held its September meeting at the home of Mrs. Ida Crocker, with Mrs. Maud Holmes and Mrs. Mildred Richardson serving as assistant hostesses.

Mrs. Myrtle Beale had charge of the program, Mrs. Crocker led devotions.

Refreshments were served at the close of the meeting.

Wesley Chapel Group Sponsors Shower

The Wesley Chapel W.S.C.S. held a miscellaneous shower at the home of Mr. and Mrs. Scott Holmes in honor of Mr. and Mrs. Robert Holmes, who were recently married.

The young couple received many lovely gifts.

Games were enjoyed during the evening, and refreshments of sandwiches and coffee were served.

Weiner Roast Held By Church Class

The Tru Blue class of the Liter Baptist church enjoyed a weiner roast at the home of Mr. and Mrs. John McGinnis with Mr. and Mrs. Fred Meadows acting as assistant host and hostess.

Mrs. Albert Winger, devotion and program leader for the evening, used as her topic "The Life of Mary and Martha." Singing of hymns by the entire group was led by Clyde Mason.

Cards provided the main recreation of the evening, prizes being awarded to Mrs. Lela Daniels, high, and George Waters, low.

Those present were: Mr. and Mrs. Albert Winger and son, Mr. and Mrs. Lawrence Mallicoat and daughter, Mr. and Mrs. Paul Mallicoat, Mr. and Mrs. Oren Mallicoat and family, Mr. and Mrs. Warren Daniels, Mr. and Mrs. James Beavers, Mr. and Mrs. Clyde Mason, Mr. and Mrs. Orris Lindsay and family, Mr. and Mrs. Cecil Crum and family, Mr. and Mrs. George Waters, Mr. and Mrs. Merrill Masten and daughter, Miss Margaret Mallicoat, Miss Doris Crum, Mr. and Mrs. John McGinnis and family.

Hilltop Students Plan Annual Debate Season

The Illinois College varsity debate squad, reorganized last year under the direction of Professor L. P. Dudley, had its first meeting of the new year Thursday. Twelve new students turned out for the initial meeting and three others who were unable to attend the meeting have indicated interest in varsity debate.

An expanded program of tournament participation is being arranged to give a maximum number of students an opportunity to earn membership in the local chapter of Pi Kappa Delta, national forensic fraternity.

Year's Schedule Planned

The tentative schedule includes tournaments at Bradley University in November, Iowa State Teachers College in December, Illinois State Normal in January, Eastern State College in February, and the Illinois State Debate league tournament at Illinois College in March.

The climax of the season will be the national tournament and convention of Pi Kappa Delta at Louisiana State University at Lafayette, Louisiana, the week before Easter.

Morgan Farmers Find Hawkeye Beans O. K.

The nine Morgan county farmers who raised the recently introduced Hawkeye soybeans this year were entirely pleased with the new variety, according to their reports to Farm Adviser E. H. Garlich.

The Farm Bureau seed committee allocated the 825 bushels received on May 21 from the University of Illinois. The eight farmers, located in different sections of Morgan county, agreed to cooperate with the seed committee by using 30 pounds of seed per acre, certifying the crop raised in 1948 and again in 1949, and giving the committee allocation powers over the 1948 production.

The new variety was developed primarily for the northern part of the state. The crops specialists feared that it would not yield as well as the Illinois and Lincoln varieties.

From 30 To 40 Bushels

This fear appears entirely unfounded. The nine plots averaged 35 bushels per acre. The top was 42 bushels; the low 30.

"These are exceptional yields, when one considers that only 30 pounds of seed was used per acre," Mr. Garlich said.

He warned, however, that no new variety can be entirely accepted on the basis of one year's performance.

"They look mighty good right now. They stood better than the Lincolns. Best of all, they matured from seven days to 10 days earlier. Of course, that factor didn't amount to much this year, but there are many seasons when it would make a mighty big difference," the farm advisor declared.

Seeds Somewhat Larger

The individual seeds of the new variety were considerably larger than this year's Lincoln samples. University of Illinois chemists say the oil content is practically the same.

The seed committee hopes that those farmers who want to plant Hawkeye beans next season will submit their applications as soon as possible, by Jan. 1 at the latest.

Nettie Belle Long Of Ashland Dies Here Saturday

Ashland—Mrs. Nettie Belle Long, a life-long resident of Morgan county, died at Our Saviour's hospital at 2 p.m. Saturday. In failing health for the past few years, she had been a hospital patient for ten days.

Mrs. Long was 76 years old.

She was born near Jacksonville on June 12, 1870, a daughter of Robert and Sarah Lyles Moss. In 1889 she married Thomas J. Long. He died in 1916.

Seven children were born to them. The four surviving children are Mrs. Ollie Moore, Mrs. Harvey Randolph and Woodrow Long, all of Jacksonville, and Ruel Long of New Berlin.

She also leaves one sister, Mrs. Ida Farmer of Alexander, and two brothers, Newt Moss of Jacksonville, and Grover Moss of San Antonio, Texas, 13 grandchildren, 20 great-grandchildren and one great-great-grandchild.

Mrs. Long was a member of the Ashland Methodist church. The remains were brought to the Gainer Funeral Home.

Funeral services will be held at the Ashland Methodist church at 2:30 Monday. The pastor, the Rev. James Kranz, will officiate and burial will be in Yatesville cemetery.

Liter Baptist Aid Society Convenes At Loneragan Home

The regular monthly meeting of the Liter Baptist Aid society was held Thursday at the home of Mrs. Conn Loneragan, with Mrs. Alfred Massey as assistant hostess.

The meeting opened with Mrs. Lela Daniels in charge of devotions. An announcement that the club will sponsor a Thanksgiving supper was made. The committee appointed to be in charge of arrangements is comprised of Mrs. Lela Daniels, Mrs. Edna Mallicoat, Mrs. Eloise Mason, and Mrs. Viola Thompson.

Mrs. Edith Leeper, Morgan county health nurse, gave a very instructive talk on "Health."

A mutual benediction closed the meeting, after which refreshments were served by the hostesses and a social hour was enjoyed.

Fourteen members and the following guests were present: Mrs. Ona Crum, Mrs. Ruth Rexcoat, Mrs. Otis Mason, Mrs. Walker Henderson and Mrs. Wilson Henderson and son.

Mrs. William Boston and Mrs. Carl Massey will act as hostesses for the November meeting. While Mrs. Lawrence Mallicoat will be in charge of program arrangements.

Rebekah District Officers Honored By Caritas Lodge

One hundred and twenty-five members and guests enjoyed a potluck supper honoring officers of District No. 20 at Caritas Rebekah Lodge No. 625 Thursday evening at the I.O.O.F. hall on West State St.

The tables were beautifully decorated with fall flowers and the lodge's colors, pink and green.

Following the supper, the entertainment committee in charge of Mrs. Gaston Foote, presented a humorous radio skit. Those who appeared on the program were Mrs. Harry Hutchins, Mrs. Merle Johnson, Mrs. Sarah Wade, Mrs. Joe J. Goglia, Miss Dorothy Foote, and Mrs. Gaston Foote, the announcer and Miss Georgia Ranson, pianist.

Twelve district officers were especially honored during the lodge meeting and were presented with favors and red roses. Other lodges in attendance were Havana, Springfield, Waverly, Riverton, Chatham, Rochester, Meredosia, Beardstown, and Jacksonville No. 13.

Announce Leaders For Two Other Chest Divisions

Dr. Frank Marston, general chairman of the Morgan County Community Chest campaign, announced Saturday the names of the 1948-49 leaders of two or more of the Chest's divisions.

Louis Fessina, owner and manager of the Home Accessories company, will be chairman of the industrial division. Mr. Fessina headed the division for the last two previous campaigns and his experience will be relied upon to again put his division first over the top. Workers in the industrial division who will assist Mr. Fessina will be Frank Putnick, Harold Ludwig, Hugh Gibson, Harry Hammett, C. C. Gustine, Merl Ingels, Robert Perkins and James Flynn.

The clubs and organizations division will be under the leadership of three co-chairmen, Walter Hamilton, sales manager of Corn Belt Chevrolet company and former Boy Scout field representative, will direct solicitation of veterans and service clubs. Charles N. Wright of the Wright Lumber company will have charge of solicitation of the larger clubs. Miss Grace Fitch, principal of the Franklin grade school, will handle solicitation of the women's organizations.

Letters have already been mailed to the various clubs and organizations of Morgan county, pointing out the increased needs of the Chest supported agencies. This group, which has given encouraging support during previous campaigns, was reminded that the quota for this year is 33 1/3 per cent greater than last year.

Woman's Club Speaker Warns Fear Of Atomic Power May Doom Man

Dr. Lester O. Schriver, noted author, lecturer, humorist and philosopher, addressed members of the Jacksonville Woman's club at their opening meeting held following the annual October luncheon Saturday afternoon in the banquet room of the Dunlap hotel.

Entitled "Where Do We Go From Here," his address dealt primarily with the atomic age and its potentialities for good and evil. "This age," said Mr. Schriver, "is different from any other generation. It has been different since Aug. 5, 1945, when two atomic bombs were dropped over Japan."

"That event left in the minds of men certain fears which cannot be ignored. . . it gave man 'legs of hope than of fear' inspiring in him an awareness of the danger, while the constructive aspects of this new phenomenon were hardly recognized. End of Man?"

To illustrate the effectiveness of this discovery as a medium of destruction, Mr. Schriver quoted Robert Maynard Hutchins as saying that "one cupful of uranium would make half of the United States uninhabitable." Dwellers further upon the gloomier aspects of the atomic age, the speaker referred to Norman Cousins' book, "Modern Man Is Obsolete," in which the author declares that "man is just one of the phases of civilization and may vanish from the face of the earth as have other forms of life which were the principal inhabitants of this planet."

"Should another war come, said Mr. Schriver, 'there would be no victors, perhaps a few miserable survivors, but no victors. Just as other animals have died out in the past, man is no exception and the possible instrument of his own destruction has been perfected by man himself."

"Other factors besides the atomic bomb have contributed to the crisis with which the world is now faced," the speaker declared. "Among these are communication and transportation, both of which are almost instantaneous, and are rapidly approaching the ultimate in speed."

Similarity In Bomb, Plane

Taking note of the similarity between the airplane and the atomic bomb, in that each has the power "to destroy or to create a richer, more abundant life for mankind," Mr. Schriver recalled attending a banquet given some years ago in honor of the Wright brothers, at which Wilbur Wright said, "My brother and I believe that we have given to mankind the wings of an angel."

"By that same token," said Mr. Schriver, they have also given him the wings of a vulture.

The danger lurks not in the progress of science, contended the speaker, but in the hearts of men. "For it is man that is good and evil, and it is with man that the responsibility for directing the energies of new discoveries to the betterment of civilization lies."

Dr. Schriver was introduced to the capacity audience by Mrs. W. G. Goebel, chairman of the day. Preceding his address three vocal selections, "Memories," "Love is the Wind," and "Miranda" were sung by Mrs. Richard Thompson, accompanied at the piano by Mahala McGhee. This portion of the program was arranged by Miss Charlotte Sieber, Mrs. Harold Wright was program chairman.

New Members Presented

Several new members were introduced during the business session conducted by the president, Mrs. Fletcher J. Blackburn. Mrs. Blackburn expressed her appreciation to those who had assisted with the meeting and to Mrs. R. C. Henley for the floral decorations at the speaker's table.

Mrs. Vernon Schofield was chairman of hostesses, assisted by Mrs. Rex Ranson. The committee was comprised of Mesdames J. E. Allen, George Baxter, H. L. Caldwell, Paul Fenstermaker, Leonard Gray, Hugh Green, Joe Reiser, Carl Robinson, Tulman Stout and John Taylor and the Misses Eleanor Carr and Mary Knollenberg. Mrs. Ray Patterson was ticket chairman.

The state officers will be guests at the next meeting on Nov. 30.
